## WHO ARE THE DREAMBAT BOMBERS?

The Bombers are a hand selected group of high school baseball players who want more out of the game. It takes a special kind of player to be a Bomber. Mentally strong, dedicated, serious, and committed are a few of the characteristics that a Bomber must possess. The Bombers are a part of a year round wood bat baseball development club that is dedicated to player development and preparing high school players for the next level. It is a serious squad that holds practices, strength training, agility training, batting practices, pitching workouts and instruction, along with their rigorous 45+ game schedule during the summer season. We are a step above your normal high school program and only for disciplined, serious, and dedicated players. The Bombers are based out of The Dream Bat Company training facility in Enfield, CT.

To be a bomber is a responsibility as well as an honor.
