A 2007 graduate of the University of Massachusetts, Adamski was a standout for the Minuteman baseball team. During his senior season Adamski led UMass in home runs and slugging percentage, while boasting a .994 fielding percentage playing the corners. Adamski was also the Minutemen's top pitcher in 2007, posting a 2.67 ERA with a 3-1 record in

16 relief appearances and was the team's lone player to start in all 40 games. Adamski led UMass in both home runs and ERA as a junior. He is still the all-time saves leader at UMass. In summers after Adamski wrapped up his season with UMass, he played in the prestigious Cape Cod League for the Chatham A's and Hyannis Mets. He also spent two summers playing with the NECBL's Holyoke Giants. This past summer, he led the West team to the gold medal at the Bay State Games in what was his first year as the team's head coach. He returned to Holyoke this summer to serve as an assistant coach for the Holyoke Blue Sox, primarily working with hitters.

After high school, Peter played 4 years of college baseball at Keene State College while earning his Bachelor Degree in Physical Education. Peter played a key role

in bringing KSC to their first ECAC Tournaments in consecutive years. In 2007, Pete and his senior class lead KSC to their first NCAA appearance, making it all the way to championship Sunday. After his baseball career, Peter stayed in the school systems and coached JV Baseball, JV Soccer, and JV Women's Basketball. Along the way, he has also coached at Bill Holowaty's Baseball Camp, Norwich Navigator Camp and KSC Baseball Clinics. WHO ARE THE DREAMBAT BOMBERS?

The Bombers are a hand selected group of high school baseball players who want more out of the game. It takes a special kind of player to be a Bomber. Mentally strong, dedicated, serious, and committed are a few of the characteristics that a Bomber must possess. The Bombers are a part of a year round wood bat baseball development club that is dedicated to player development and preparing high school players for the next level. It is a serious squad that holds practices, strength training, agility training, batting practices, pitching workouts and instruction, along with their rigorous 45+ game schedule during the summer season. We are a step above your normal high school program and only for disciplined, serious, and dedicated players. The Bombers are based out of The Dream Bat Company training facility in Enfield, CT.

To be a bomber is a responsibility as well as an honor. *Go Bombers!*
